

## 2014 Recertifications

In order to keep the work we are doing the purest and best, a certified ThetaHealing Instructor is required to recertify every 4 years. Prior to 2008 it was every 3 years and in 2008 we made all certifications 4 years contracts. If you certified in 2009 or prior it is time to recertify.

Just to Clarify how Recertification Works

**If you are a Basic and Advanced Instructor** and need to recertify you can do it 2 ways:

1. Take the Basic and Advanced Instructors courses again.
2. Take Intuitive Anatomy Instructors. (you will need to resign contracts for Basic and Advanced Instructors and purchase the most current materials for Basic and Advanced Instructors)

**If you are a Basic, Advanced, and Intuitive Anatomy Instructor** and need to recertify, you can do it for all these classes by recertifying at the Intuitive Anatomy Instructors. At this class you will be given a new contract for the Basic, Advanced and Intuitive Anatomy Instructors Course to sign.

**If you are a ThetaHealing Master** and need to recertify you can do this 2 ways:

1. Retaking the Intuitive Anatomy Instructors Course. (You will need to resign a contract for all the classes you are certified to teach.
2. Completing DNA 3 Instructors. (this is the last class you need to be a ThetaHealing Certificate of Science)

**If you are a ThetaHealing Certificate of Science** and need to recertify, you will need to take Intuitive Anatomy Instructors and DNA 3 Instructors. (Where these classes are not offered back to back you can attend IA Instructors one year and the following year DNA 3 Instructors)

If for any reason you are due for recertification and are unable to attend a class this year you will need to contact our office to make other arrangements.

**All certifications 2009 and Prior teaching accounts will be made INACTIVE February 15, 2014 and 2010 accounts will be made INACTIVE January 1, 2015.**

If you have enrolled in a teachers class offered 2014 for recertification, your account will be left ACTIVE.

For teachers that will recertify in Italy, october 2014, Vianna offers a 300eur discount per each class, to be taken away from balance due to THInK.

(example: standard balance for Basic DNA Teachers is 875eur, for recertification is 575eur)
